TO BOOK DONORS:

We greatly appreciate your donation of books to be sold at our USED BOOK SALES. As book owners ourselves, we know how difficult it can be to discard books. However, we have learned over the years what types of books sell and what does not. Therefore, we have instituted the following guidelines for donations of books for our sales.

We are unable to sell books with the following characteristics:

- Dingy, dusty, torn covers or broken bindings
- Unpleasant odors such as mildew or smoke
- Stained or sticky
- Outdated editions of computer instructions, test guides (SAT, GRE, etc.) medical information that is not current
- Encyclopedias
- Reader’s Digest Condensed books
- Magazines
- Textbooks
- Cassettes
- Video Tapes

We work hard to offer attractive, clean, and appealing books to our customers. Please help us in this effort.

Again, thank you for your donation and helping to present books to our customers that they would like in their home or to give as gifts and for your support of the Library.
