

You Are Invited!

SOUTHWEST HARBOR - The staff and trustees of the Southwest Harbor Public Library invite everyone to the Library Friday evening, January 5, 5:30 – 7:00 for a Community Appreciation Party to celebrate the Library's Five Star Award for the seventh year in a row. There will be music, refreshments and the fun of getting together. Hope you can come!

Library Journal, the industry's leading periodical, once again awarded Southwest Harbor Public Library a five star rating – the highest they give. Out of nearly 7,400 public libraries in the United States, only 260 receive a star rating, which can range from three stars to five.

For more information about the party, please call the Library at 244-7065.
