

Stained Glass Mosaic Workshop

Please join Liz Cutler of ArtWaves for a stained glass workshop to be held at the Southwest Harbor Public Library Saturday, January 13, 10:00 – 12:00. Class size is limited and preregistration is required. Minimum age is 12.

There is something special about coming upon a grove of birch trees. The image speaks so well to stained glass mosaic and is perfect for the winter season. Ms. Cutler will provide an array of stained glass and gear so that everyone can color with glass and take home their own birch grove. Please call the Library for more information and to reserve your spot, 244-7065.
